

## *Principal's Message-*

*Atomic Energy Central School-2, Anushaktinagar Mumbai has been the centre of excellence in academic and non-academic matters. The alumni of this school are spread globally and settled in their careers and have been extending their services to the world community.*

*The parents and staff of this vidyalaya show keenness in moulding the personality of the students which is required/ acceptable to the society. Discipline, values, exposure to various types of situations, focus on nurturing innate talents in students as per their potential are some of the highlights of this school. With positive attitude of the stakeholders, significant milestone & have been cherished in the history of the school.*

*AECS-2, Mumbai is one of the oldest schools and also one of the most sought after schools in AEEES system. Much more has to be done, brighter future of the students is the ultimate motto and to see them as responsible global citizens is the goal of this school.*

*Of course, it is an on going process with the involvement of Children-Parents-Staff under the guidance of the management.*

*B. Venkanna*

*Principal*

*AECS-2, Mumbai*
